

# MY SUMMER

# PRACTICE

# PACKET

Name \_\_\_\_\_

Return to Mrs. Rippy at  
St. Edward School the  
first week of school in  
August for a surprise!

Dear Parents,

Congratulations on all the hard work you have done with remote learning! Take a break and celebrate summer! These activities will begin the first week of June and should be practiced weekly until the end of July. You also have a Bridge Book provided for you to use throughout the summer to practice writing with a pencil.

This learning mat is designed to keep your child engaged over the summer. I have included essential skills that will help prepare your child to enter first grade in August. It will only take 5-15 minutes each day.

Initial the box the first time the task is completed, and then repeat weekly using new words on the attached page. I also attached other things you will need to complete the activities.

There is a daily Math and ELA task to complete. At the bottom, you will see a "Three-In-A-Row" board. You can strive for three completed tasks weekly or go for a complete "blackout."

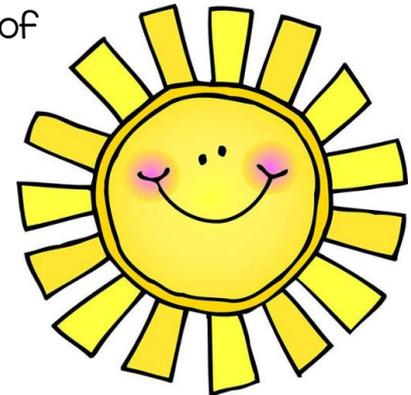

There is a built in incentive piece at the bottom; however, once the weekly mat is complete, I encourage you to celebrate and provide a simple incentive to keep learning fun!

In addition to the Summer Learning Mats, it is very important that you read with your child as often as possible. If you do not do this as part of your daily routine, consider making it a practice this summer. I have also included pre primer and primer sight words for first grade to begin working on.

Please return this packet (completed) and the Bridge Book the first week of school to Mrs. Rippy for a special surprise!

Thank you so much for your help in making your child's education a priority this summer. I hope to see you in August!

Sincerely,  
Mrs. Shacklett
